Whether you use it as a focal point in your conversation area or to define your dining space, the Asteroid effortlessly adds a unique touch of fire art. Choose from endless decoration options such as white pebbles, crushed glass, or lava rock to personalize your experience. Enhance your outdoor oasis with the SAfire Asteroid Gas Firepit and enjoy the mesmerizing glow and warmth it brings.

PRODUCT SIZE VARIANTS / MODELS:

Asteroid Gas Firepit - **R33890**
IR Remote Control (Optional) - **R12900**
Wifi Smart Home System (Optional) - **R21995**

DIMENSIONS:

Lenght 1300mm Wide 780mm x Height 350mm
Weight: 210kg
Cast Concrete Terazzo Casing, 60 000 BTU Burner
2 Year Limited Guarantee

Installing electronic remote systems for the firepit without cover, especially in coastal areas, is not recommended. Please note that water and exposure to salty environments voids the 1-year warranty. While battery packs provide a convenient option, they require replacement every 3 to 6 months. Opting for a power outlet at the firepit location is preferable for long-term convenience and reliability.
