

CARLOFORNO GAS FIREPIT

Introducing the SAfire Carloforno Gas Firepit: Artistic elegance, safety, and versatility for modern backyards. This cast concrete firepit transforms outdoor spaces with a beautiful round flame, making it the focal point of any area. Measuring 500mm in height and 1200mm in diameter, the Carloforno offers high flames and prioritizes safety with Safire's advanced thermo couple valve system that automatically cuts off gas if the flame extinguishes. Ideal for enhancing outdoor gatherings, its artistic design, safety features, and easy installation make it a top choice for a stylish and secure backyard oasis.

PRODUCT SIZE VARIANTS / MODELS:

CarloForno Gas Firepit - **R33995**
IR Remote Control (Optional) - **R12990**
Wifi Smart Home System (Optional) - **R21995**

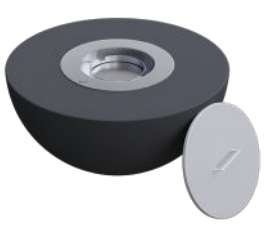

DIMENSIONS:

Dimensions: Width 1200mm x Height 500
Weight: 130kg
Refractory Casing
2 Year Limited Guarantee

Installing electronic remote systems for the firepit without cover, especially in coastal areas, is not recommended. Please note that water and exposure to salty environments voids the 1-year warranty. While battery packs provide a convenient option, they require replacement every 3 to 6 months. Opting for a power outlet at the firepit location is preferable for long-term convenience and reliability.
