

CARLOFORNO WOOD FIREPIT

Experience outdoor gatherings reimagined with the SAfire Sirca Wood Firepit, a masterpiece forged from enduring cast concrete. Immerse yourself in the ingenuity of double combustion technology, which effortlessly reduces smoke and ensures even heat distribution across the detachable grill, delivering an exceptional wood-fired culinary adventure. Indulge in the authentic essence of food prepared over open flames, as this advanced system eliminates bothersome smoke. The robust 5mm stainless steel grid effortlessly fastens to the firepit, creating a solid foundation for your gastronomic creations. Ignite your inner chef and savor the seamless blend of innovation and the art of wood-fired cooking with the SAfire CarloForno Wood Firepit.
