SAFIRE

LINEAR FLUELESS
SINGLE SIDED FIREBOX

Our Linear range have many benefits. Available in six different lengths and modified with our advanced clean burn technology Burner for odour free living spaces. Fitted with your choice between manual and remote control ignition. With two material finishes to choose from, Stainless steel or black steel and three decorative finishes – naked flame, pebbles, black lava rock or Wood log assembly, this model can literally be used in any setting imaginable. No chimney is required as the burner is fitted with a flame failure device and Oxygen depletion sensor. Enquire about Remote Control Pricing.
