Weight: 175kg

Cast Concrete Terazzo Casing

2 Year Limited Guarantee

Installing electronic remote systems for the firepit without cover, especially in coastal areas, is not recommended. Please note that water and exposure to salty environments voids the 1-year warranty. While battery packs provide a convenient option, they require replacement every 3 to 6 months. Opting for a power outlet at the firepit location is preferable for long-term convenience and reliability.

White crushed river rock

Dark Grey Terazzo

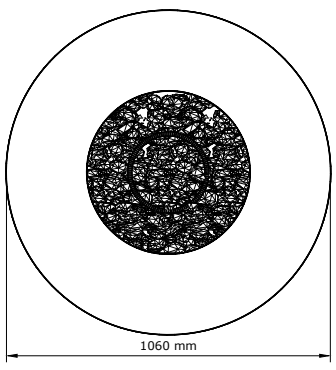

Black lava rock
